

Nuneaton
SIGNS Limited 82

THE NATIONAL RANGE

*If you have to buy something anyway,
why not #BuySocial*

ABOUT US

Social value is at the heart of everything we do. We have been making signs for nearly 40 years and have grown to be one of the UK's leading signage manufacturers.

As a Social Enterprise we invest 100% of our monies back into our company ethos;
To provide meaningful employment for people with disabilities.

When you buy from a Social Enterprise
you invest in people, not profit.

From all of us at Nuneaton Signs, we would like to thank you for realising the power of your pocket.

ABOUT US

70% of our employees have at least one physical disability, medical condition or mental health condition.

Our skilled supervisors support, develop and mentor these individuals to help them sustain mainstream employment whilst improving lifestyles.

Which is why it means so much when you buy from us ... each sign you buy genuinely helps us change lives!

DIRECTION SIGNS

External signs welcome and instruct, direct and protect. They are available in a range of styles, sizes and materials to best suit your individual requirements.

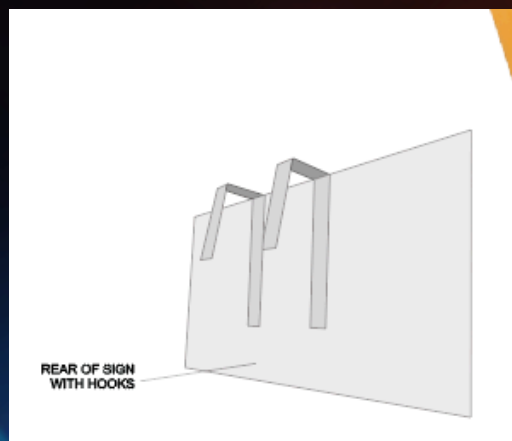

CAR PARKING SIGNAGE

Make it easy for motorists and pedestrians to navigate your car park with our high visibility car park signs. From tariff boards to wayfinding, our car park signage is fully customisable.

RECYCLING

Reducing your carbon footprint and helping to protect the environment is a key focus for all of us. We design and make a wide range of recycling signs to assist you in encouraging both employees and visitors on your site to recycle.

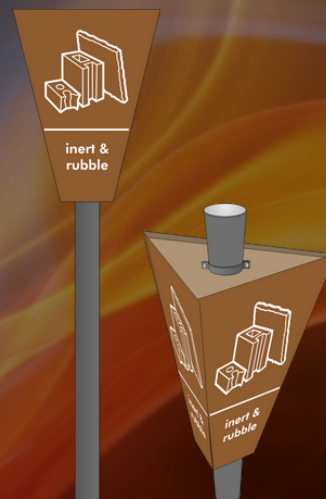

At this site you should recycle:			
	cardboard		paper
	wood & timber		plastic bottles
	garden waste		textiles
	glass		household batteries
	electrical		car batteries
	fridges & freezers		used engine oil
	metals		food & drink cans

[illegible]

WAYFINDING SIGNAGE

Wayfinding is so important in offices, schools, factories and hospitals. Clear imaging, contrast and icons all help people navigate your buildings.

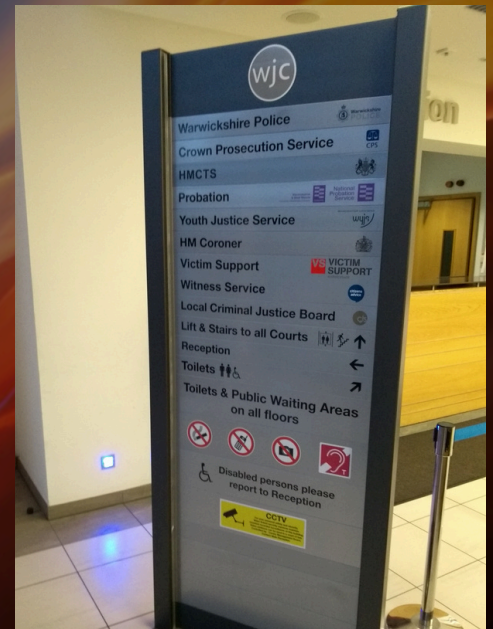

ROOM SIGNS

Plaques and display signs give a professional look. Available with stand off fixings and in a wide range of materials and sizes.

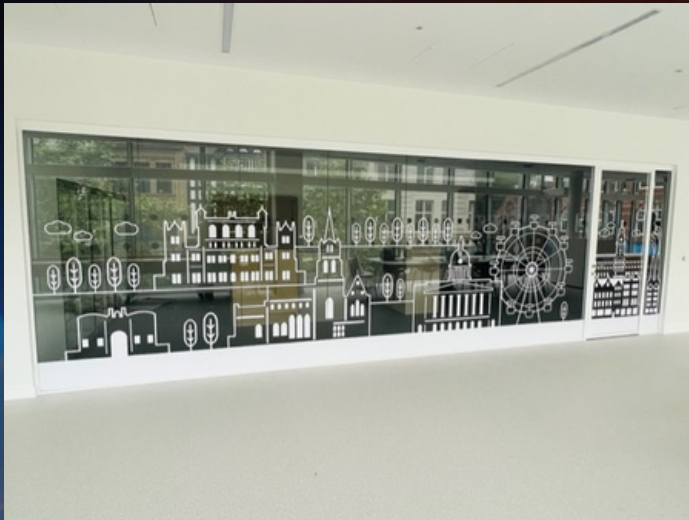

FREE STANDING SIGNS

These contemporary and eye catching signs are available double or single-sided and may incorporate modular components, built-up features and illumination.

DOOR WRAPS AND WINDOW GRAPHICS

Graphics are a fantastic way to turn something ordinary into something extraordinary. Window graphics and door vinyl's transform your space and maintain a great corporate feeling.

WALL GRAPHICS AND FEATURE WALLS

Wall graphics are a fantastic way to transform a space. They can be used as a stencil to paint a feature wall, or printed icons to promote your brand or even printed wall paper.

before

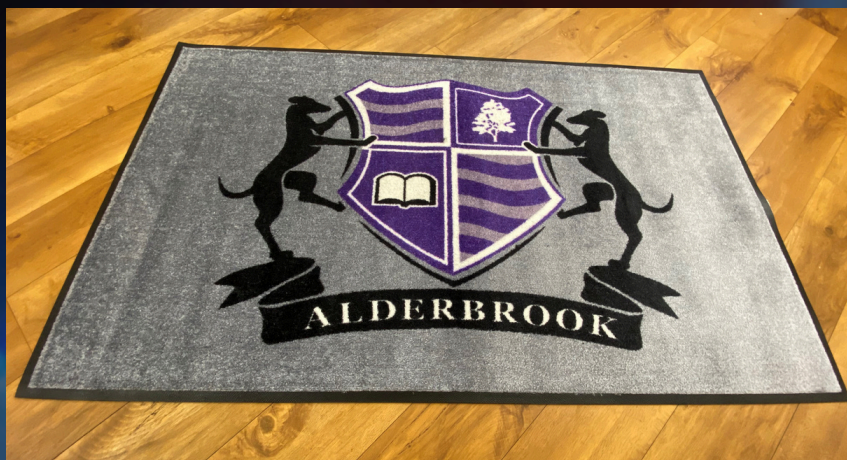

after

FLOOR GRAPHICS AND MATS

Our range of customisable mats and floor vinyls are sure to help you make an entrance! Whether they are for safety, or to help with your company branding, they will brighten up any floor.

SAFETY SIGNS

Here is a small selection of the safety signage that we offer. These are available in a range of sizes and materials. If you don't see the design that you require below, please get in touch.

DO NOT PROCEED

FIRE SIGNAGE

Call Alarm Point

We have an extensive portfolio of fire safety signage, these are available in a range of finishes, from etched aluminum, to vinyl to photoluminescent. if the design that you require is not listed below, please get in touch.

FLAGS

All of our flags are fully customisable, single or double sided, in a range of sizes and styles to suit your requirements. A number of base and fitting options are available

BANNERS

Our banners are available in a huge range of sizes, and materials to best suit your requirements, including building wraps, heras covers and much more.

BANNER ACCESSORIES

Our banners are available in mesh, PVC free material and monarflex building wrap.

These can be hemmed, and eyeletted. We can also supply all materials needed to fit your banners, such as:

- Bungee cord
- Cable ties
- Tension Frames
- Wall mounted frames
- Post mounting brackets

ROLLER BANNERS

Our roller banners are available in a range of specifications, we offer Budget, Standard, Premium and Deluxe. These are available in an array of sizes, from Extra wide to table top. All of our roller banners are fully customisable in design, and come with a carry bag.

VINYL CUT NUMBERS AND LETTERS

Individually cut numbers and letters are so useful in a number of settings, customising your items or promoting your business. Available in a range of colours and fonts.

DIRECT DIGITAL PRINT TO MATERIAL

Direct printing to material is a very cost effective manufacturing technique. It can also offer some fantastic finishes and design additions to give an extra special finish!

DIGITALLY PRINTED STICKERS

Our digitally printed vinyl stickers can be made to any size and any design, and they can be decal cut to shape. From small orders to higher volumes, they can be individually numbered/marked to suit your needs.

CUT TO SHAPE DECALS AND LOGOS

Individually cut vinyl logos and decals are great for promoting your company and are useful in many settings, to decorate offices or to customise items.

SPECIALIST FINISHES AND FIXINGS

We offer a range of specialist finishes to the signage that we manufacture. These can add another dimension to your signage, or an extra level of protection if required.

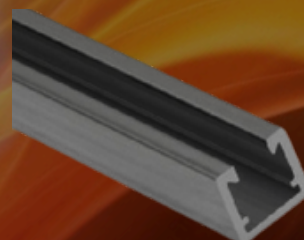

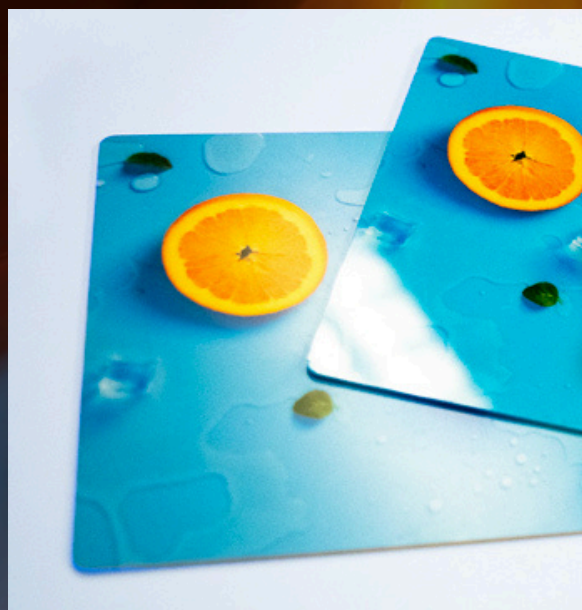

Matt lamination

Gloss UV protection

Anti graffiti protective overlay film

Reflective

Photoluminescent

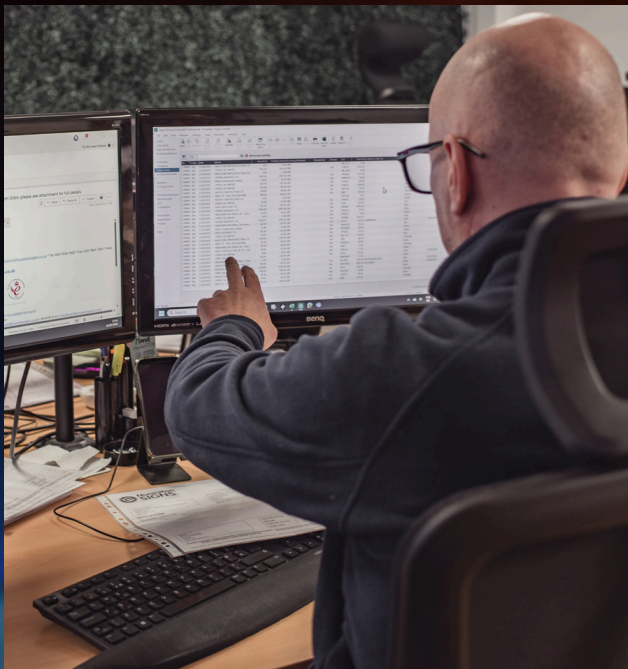

We can provide a range of fixings for our signage, the most common are posts with clips, which are available in many different shapes, size and colour.

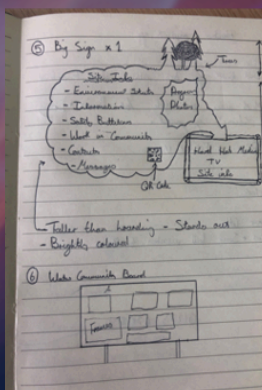

We also offer stand off fixings, ceiling wires, bungee cords, cable ties and much more.

DESIGN SERVICE

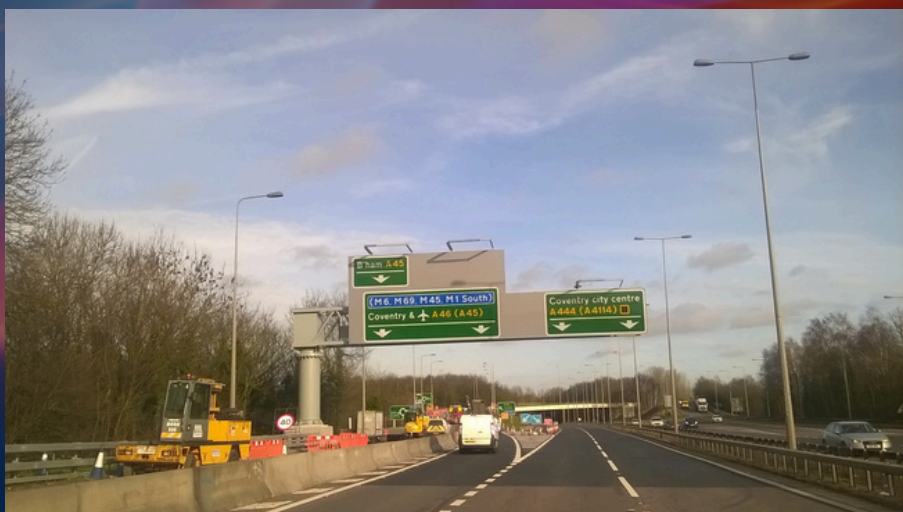

Our in house design team is fantastic at taking your dreams and turning them into reality. With many years of experience, nothing is a problem for them. They can take your vision, and turn it into a sign!

TRAFFIC SIGNS

Nuneaton Signs is one of the premier traffic sign manufacturers in the UK. We manufacture the full range of traffic signs on all approved substrates and offer a full suite of posts and fixings. Our team has many years' experience within the industry and will ensure all signs meet specifications, and are made to the very highest of standards.

See below a selection of our range of traffic signage, from gantry signs, to street name plates, temporary to permanent we manufacture them all!

TRAFFIC

Our permanent traffic signs are made from

- **Aluminium**
- **Aluminium Composite Material (Traffic ACM)**
- **Steel (HP200)**

There are many factors to be considered when deciding upon the most suitable signage substrate. Cost effectiveness, life expectancy, strength, weight and environmental impact.

Environmental considerations are as important as cost and life expectancy. We're pleased to say that all of our aluminium, steel and ACM signage can be recycled, as are off cuts from manufacture.

Temporary Traffic signs can be manufactured from Aluminium, HP200 Steel, Correx, 100% Recyclable FluteBoard, Zintec, TACM or even Heavy Duty Banner.

TRAFFIC

Our ISO 9001:2015 accreditation ensures that all our permanent traffic signs are manufactured and UKCA marked in accordance with BS EN 12899-1:2007

- **Non reflective**
- **R1 R2 R3C**

We provide a full range of protective overlays from Anti-graffiti to dew resistant.

Our sales & design team can advise you on all aspects of design and manufacture to ensure your signs are effective and compliant with full traceability.

SITE SURVEYS AND INSTALLATION

Our skilled team of fitters has national reach, we have installed signage all across the country. No job is too big or small.

Our dedicated project team offers a survey, design, plan, make, install service to take you through the signage decision making process. We prepare full Risk Assessments and Method Statements for every job.

Access equipment is used where necessary, operated by our trained fitters.
